1. An examiner's amendment to the record appears below. Should the changes and/or additions be unacceptable to applicant, an amendment may be filed as provided by 37 CFR 1.312. To ensure consideration of such an amendment, it MUST be submitted no later than the payment of the issue fee.

Authorization for this examiner's amendment was given in a telephone interview with Mr. S. Shaw on 4/20/2007.

2. The application has been amended as follows: The claim 6 has been amended as follows:

6. A system for establishing a communication using asymmetric companion codecs, comprising:

a communication system endpoint that advertises a transmit capabilities comprising one or more transmit codecs~~codec group~~ and receive capabilities comprising one or more receive codecs~~codec group~~ in which the system replaces a codec pair consisting of a primary codec selected from the transmit codecs and a primary codec selected from the receive codecs ~~groups~~ with an expansion using all elements of the respective companion codec group of the respective primary codec.

3. The following is an examiner's statement of reasons for allowance: The prior art of the record fails to disclose a communication system endpoint that advertises a transmit and receive codec pair in which the system replaces said codec pair, which contains a companion element that is a primary codec, with an expansion using all
